Dear Windward Oahu Beneficiaries:

Mahalo for attending our Community Consultation meeting which was held on January 12, 2009. As you requested, the department has scheduled a presentation and discussion on:

- How Hawaiian home lands were identified in the original Hawaiian Homes Commission Act of 1920?
- What lands constituted the Hawaiian home lands of Waimanalo at the beginning of the Act in 1921 and how have the boundaries changed over time?
- What are the current Hawaiian home lands in Waimanalo?

I urge you to attend and bring others interested in these topics.
